

City Beautiful Commission Meeting Minutes
March 17, 2026 1:30 PM Neighborhood Services Office

Guests: Michelle Wasson, Pat Smith, Sue Manning from Hays Center Master Gardeners Project

Members: Gayle Fisher, Joyce Brewer, Bubba Earnhart, Susan Langley, Stephen Hart, Betsy Davies

Staff: Dan Scott

The meeting came to order at 1:35 PM and a quorum was present.

A request from the Master Gardeners at the Hays Center Project was discussed. That project handles all beds at the Senior Center and is focusing more on perennials and native plants. There are issues with vandalism attributed to an unsheltered community nearby. After discussion, Bubba Earnhart made a motion to approve \$1,800.00 for the project at the Senior Center. Susan Langley seconded the motion and it passed unanimously.

Gayle Fisher and Betsy Davies will contact John Godan about mural artists in the city.

The meeting ended at 2:10 PM.
